Dear Friends,

On behalf of the people of Boston, it gives me great pleasure to welcome you to First Night 2020. First Night has been a beloved Boston tradition for more than 40 years, and it has served as a model for other New Year celebrations all around the world. Each year we welcome thousands of families and individuals of all ages to a daylong series of festivities that showcase Boston's diverse and thriving visual and performing arts scene. There is something for everyone at First Night, and I encourage you to take advantage of all that this unique celebration has to offer.

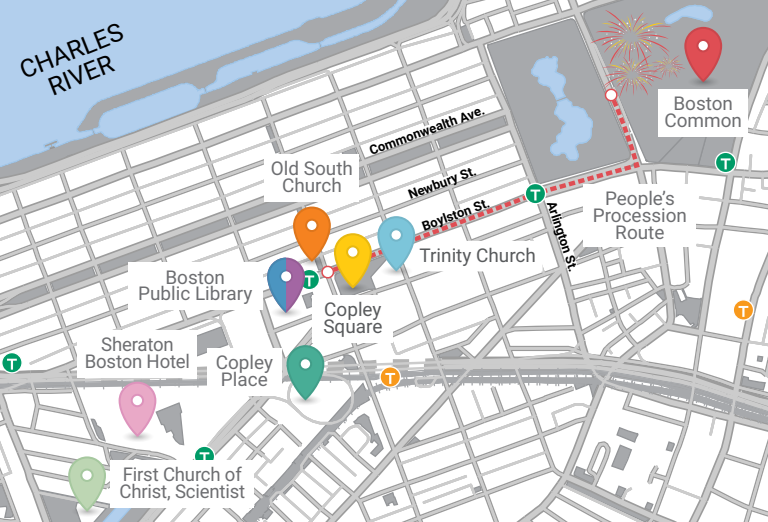

First Night also provides a wonderful opportunity for all of us to come together as one united community, and is yet another reason why I am so proud to lead this exceptional city. I want to thank everyone who has contributed to making this entirely free celebration possible. I hope everyone has a safe and memorable First Night!

Best wishes for a healthy, happy, and prosperous New Year.

Sincerely,

Martin J. Walsh
Mayor of Boston

ICE GALLERY

Sparkling ice sculptures return to the Back Bay to welcome the new year! Ranging in size and style, the sculptures will be in place by the afternoon of December 31 (exact timing will vary depending on the weather), and illuminated at night.

Don't miss the replica *Mayflower*, etched in recognition of Plymouth's 400th anniversary in 2020. A dancing couple swings their way into the new year in another sculpture, while other sculptures will illustrate the dawn of a new decade. The sculptures will be centrally located in the Copley Square Fountain, and nearby Back Bay businesses will also have displays for all to enjoy.
